Giving All Year Long

At Las Palmas, the spirit of giving doesn't arrive just during the holidays—it lives here all year long. Our residents continually find meaningful ways to give their time, resources, talents, and generosity to help others in our community and surrounding areas.

Throughout the year, Las Palmas residents support organizations and causes such as MANA House, Taft Schools, and New Hope, along with many other charitable efforts. These acts of kindness touch people of all ages and circumstances, from veterans and children to families and individuals experiencing homelessness.

Our residents also make a difference through everyday collections. They gather materials to make Mats for the Homeless, donate old eyeglasses to the Lions Club, save can tab tops for Ronald McDonald House, and collect electronics and computers for STRUT, helping provide technology to students who need it.

These may seem like simple acts, but together they represent something much bigger—a community that cares.

Giving is more than something we do. It is part of who we are at Las Palmas.

VETERANS DAY 2026
November 11

On Wednesday, November 11, Americans across our land will have the opportunity to honor the men and women who have donned the uniform of this great nation and honorably served to defend our country against all enemies, foreign and domestic. America's beloved veterans have dedicated a portion of their lives standing guard as protectors of the freedoms we hold so dear and should rightfully be recognized for their honorable service.

Currently there are approximately 17.2 million living U.S. veterans consisting of roughly 15.1 million men and 2.1 million women. Of this veteran population, 30,600 are WW II era veterans, and 767,000 are Korean War era veterans. Vietnam War era vet's number approximately 5.4 million, with the remaining veteran population representing the Gulf Wars and Post-9/11 era.

Roughly three-quarters (78%) of U.S. veterans served during wartime, and 22% served during peacetime. And while America's veteran population is growing more diverse, the number of living veterans continues to decline.

Each year, on the 11th hour of the 11th day of the 11th month, a national moment of silence is scheduled to honor our veterans. Let's not hesitate to take a moment and thank the veterans in our lives for their service and dedication to duty.

MANAGER'S CORNER

Buffy Kolodziej

Greetings Las Palmas Residents!

I often read my past years articles just to reflect on what I was up to and writing about. Last year I was still fresh off of the passing of my dad. I wrote about how thankful I was to have had 53 years with him, and how much he meant to me. The holidays last year hit a bit different without my dad, and they were difficult. 2026 was very different for me. I was married in February, bought a new home and we moved my mom in with us! I am so very thankful for an amazing husband and that we are sharing our life with my mom and daughter. There is so much to be thankful for and my wish for all of you is that you have much to be thankful for too. I am thankful to be a part of this community and to share that with all of you. We are absolutely blessed to live (and work) in such an amazing community.

I am thankful to be a part of this community and to share that with all of you.

The office will be closed Thursday November 26th for Thanksgiving. I hope you all have a wonderful Thanksgiving holiday with those close to you.

BILL HARRISON PRESENTS NAVY V-12 PROGRAM

Tuesday, November 10th

5:15 Dinner – Meatloaf, mashed potatoes, vegetables and dessert

5:45 Presentation

The United States Navy wasn't prepared for World War ll. Hundreds of ships had to be built, and thousands of trained and qualified naval officers were needed. In 1943, The Navy V-12 Program was established by the War Department on 131 university campuses to provide a continuous supply of college educated and trained naval officers. More than 60,000 young men between the ages of 18 AND 24 were accepted into the Navy V-12 Program. These men were challenged mentally and physically to prepare them for leadership roles. The trainees were required to successfully pass more than two years of difficult classes in engineering, math calculus, chemistry, geometry, physics, and English. Graduates of the program were commissioned ensigns in the Naval Reserve. Northern Arizona Teachers College in Flagstaff was the only school selected in Arizona to host a V-12 Program. The School graduated more than a thousand young men who proudly served their country during the war.

VOLUNTEER FOR YOUR COMMUNITY

Have a little time or a talent to share? We're always looking for residents willing to lend a hand throughout our community. Whether you can help once or regularly, every volunteer makes a difference. It's also a great way to meet neighbors and get involved!

GOLF CART PARKING

As our community gets busier, we appreciate everyone helping make the most of our available parking. When parking your golf cart at the Clubhouse, please share the space and park two golf carts per parking spot whenever possible. This helps to make more parking available for everyone.

PLEASE SLOW DOWN

The speed limit throughout PDSE is 15 MPH. With more residents, golf carts, bicycles and pedestrians out and about this season, please slow down and stay alert. Let's work together to keep our streets safe for everyone.

BE SEEN AFTER DARK

Walking or biking after dark? Please make yourself visible! Wear bright or reflective clothing and use lights whenever possible. Drivers may have difficulty seeing pedestrians and bicyclists at night, so taking a few simple precautions can help everyone stay safe.

DESIGNATED SMOKING AREAS

Please remember there is no smoking within 20 feet of any entrance or pool gate. Please dispose of cigarette butts in the proper containers. Ashtrays are located: 1) Ballroom Back Patio by the Grills, 2) Mailbox Area, 3) Fountain in Front of the Clubhouse, and 4) by the Pavilion on the South Side of the Lagoon. Thank you for helping keep our community clean and enjoyable for everyone!

PET REMINDER

All dogs must be kept on a leash when outside your home. With the grass around our Lagoon looking beautiful and green, please take your dog to one of our designated dog parks for bathroom breaks. Thank you for helping us keep our common areas clean!

AED & FIRST AID

In the event of a serious or life-threatening emergency, always call 911 first. If needed, AEDs are available by the Women's Restroom in the Clubhouse and on the Patio by the Fitness Center door. For basic first aid needs, a First Aid Kit is available in the Main Office. Knowing where these important safety items are located can make a difference in an emergency.

MANAGER'S CORNER

Christie Canan
LPG Community Manager

For many Americans, Veterans Day is a day to remember those who have fought for our country. For me, it is a day to honor my grandfather, Colonel Homer Baker, who was a part of World War II, the Korean War, and Vietnam. He was a proud 30-year Air Force veteran, serving the three wars before retiring as a Colonel in 1971. He was commissioned a 2nd Lt. in the Army Air Corps in 1941 and served as flight commander doing photo reconnaissance in Guadalcanal and the Solomon Islands. He flew a P-38 aircraft and logged 80 missions, totaling 200 combat hours. In the Korean conflict, he logged 298 combat missions flying the B-29 bomber and had 394 combat hours. Among his other assignments were the Pentagon, USAF Academy, Germany and Japan, and as Base Commander in Nha Trang, Vietnam, Williams AFB in Chandler, Arizona, and Moody AFB in Valdosta, Georgia. Colonel Baker's decorations include the Legion of Merit Air Medal, Distinguished Flying Cross, Gallantry Cross and the Air Force Commendation Medal. I am very honored and privileged to call him my grandfather! As for every soldier, it was my grandfather's bravery and devotion to the United States that gave him the courage to leave his family and fight for America. And, it is with the greatest respect that I say THANK YOU for the selfless acts that my grandfather and each and every veteran performed for our country. It's because of you that we live in the land of the free and the brave!

Col. Homer Baker

EVENT PARKING IN MAIL PICKUP SPOTS

Parking in the mail pickup spaces during events in the clubhouse, by residents and visitors, continues to be a problem.

"I didn't see the sign" is often heard when it's pointed out to the offender.

We will be putting flashing lights on the top of the signs during activity sponsored events (including Bingo) to draw attention to the signs.

They won't be mounted permanently but will be placed before an event and removed at the conclusion.

We realize that this won't be a cure but will hopefully make everyone aware and keep the spaces open for those needing to get into the mailroom.

DVD CHECKOUTS

DVD checkouts are limited to 5 DVD's at a time to allow all residents the opportunity to enjoy movies that are available.

DVD's must be returned within a week and after you are finished watching the movie, please return them to Activities Office and do not reshelve the DVD.

The United States Navy wasn't prepared for World War II. Hundreds of ships had to be built, and thousands of trained and qualified naval officers were needed. In 1943, the Navy V-12 Program was established by the War Department on 131 university campuses to provide a continuous supply of college educated and trained naval officers. More than 60,000 young men between the ages of 18 and 24 were accepted into the Navy V-12 Program. These men were challenged mentally and physically to prepare them for leadership roles.

The trainees were required to successfully pass more than two years of difficult classes in engineering, math, calculus, chemistry, geometry, physics, and English. Graduates of the program were commissioned ensigns in the Naval Reserve. Northern Arizona Teachers College in Flagstaff was the only school selected in Arizona to host a V-12 Program.
